

NGCA IS PROUD TO WELCOME

The Skit Guys

The Skit Guys are Tommy Woodard and Eddie James — best friends since high school. They fell in love with acting in their school's theater productions and had a knack for making people laugh. When Tommy invited Eddie to church, everything changed. With encouragement and guidance from their youth pastor, the guys started to write and perform skits for their youth group. No longer was it just about making people laugh — their skits now had a bigger purpose.

Since then, they've been writing and performing hilarious and poignant skits live and on screen. They starred in their first feature film, *FAMILY CAMP*, a faith-based family comedy, which released in theaters across the U.S. on May 13, 2022 and ranked as the No. 1 new family movie during its opening weekend. Tommy and Eddie have traveled the world performing at events, churches, and conferences. They have grown SkitGuys.com into a media resource for pastors with countless videos and scripts that are used in churches all over the world.

When they're not performing or shooting new videos, both guys are serving in their local churches, enjoying good food (especially pizza and fries!), and loving life with their families.
