I certify that all statements made in this questionnaire, resume, application are true and accurate. I understand that any mis-representation or omission of facts on this questionnaire, resume, and application may be cause for refusal of acceptance or discharge of this applicant at any time during his/her duration of play at North Georgia Christian Academy. If accepted, I acknowledge that I am willing to provide a drug test, background check, a doctor physical, and all paperwork necessary to be filled out for North Georgia Christian Academy. Students must maintain a minimum 75 or higher grade point average in order to be eligible for play at all times during the regular school year. Also a copy of the student's quarterly report card will be required to be turned into North Georgia Christian Academy no less than one week after it has been received. Just because a non-NGCA student has been accepted for one year of play does not automatically guarantee that student a spot on the team the following year. Non-NGCA students will need to be reapproved yearly to be eligible for play.
